History is rich with reports and colorful non-fictional, first-hand accounts of the incredible triumphs and tribulations of the Messenger and yet a compelling story that brings the events surrounding his life has all but been non-existent from attention of readers in the West - until now. This book has a balance of adventure, love, spirituality, wisdom, war, and peace. The Messenger s experiences resurface tales about Jesus and Christian rulers who followed his time. He and his followers are persecuted by their people for their beliefs and many emigrate to other lands, some ruled by Christian emperors. The Messenger honors Jesus, Moses, and Abraham in a miraculous way.
