Scholarly Research Paper from the year 2010 in the subject Organisation and Administration, grade: 1, 7, Northumbria University, language: English, abstract: The Merger of DaimlerChrysler in 1998 is regarded to be the biggest merger in the automotive industry. Bearing in mind the importance of organisational culture on the success of M and A, this study aims to provide an in-depth analysis of the famous DaimlerChrysler merger. The researcher will reveal the organisations cultural issues which arose during and after the merger and she will explain the impact of these issues on different organisational levels.
