Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it fact modified me, alter the way in my opinion.

(Ollie Powlowski)

YOUNG DESIGNERS AMERICAS

Daab, New York, NY, 2006. Pictorial Cover. Book Condition: New. First Edition. 8vo - over 7¾" - 9¾" tall. New York, NY, Daab, 2006. First edition. 8vo. Pictorial hard cover with white lettering on spine and front boards, illustrated throughout, 400 pp. This chunky, nearly wordless album visually explores contemporary industrial and commercial design, introducing dozens of designers and firms with several examples of their work. Here are Robert Radi's Thunderbird kitchen appliances, inspired by the classic 1950s sports car, and Pedro Reissing's playful, animal-inspired desk accessories; Diana Cabeza's crayon-colored plastic stools, resembling oversized game pieces, and Elizabeth Paige Smith's cardboard "Kittypod," a bowl-shaped chair for felines. Here too are beautiful updates on "Danish Modern" by Blu Dot and Godoylab, unexpected lighting forms from Pablo Pardo and Lwin Design, and frankly sensual seating for lovers from Bala Studio. No dust jacket as issued. New.
