iUniverse. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. During their sophomore year at high school, two teen boys conducted a physics experiment for a final grade in physics class. They created a full size replica of the old testaments Ark of the Covenant. Unknowingly, the boys sent a message across the universe. Gods angles intercepted the message and understood it to mean that the earth was finally ready for the second coming or the rapture. They returned to earth to gather the faithful where they collided with earths space program on the moon. When the angels received the innocent babies, earth thought it was an alien kidnaping. When they received the innocent children, they suspected they took them for food. When the faithful adults disappeared and the graves of their ancestors were opened, earth concluded that aliens were searching for a specific human DNA chain. The angles were fulfilling one prophecy after another, yet not one soul on earth recognized it as the rapture. When it was over, it was a priest, left behind, who made the faithful discovery . . . crying out Oh my God . . . my God! Pioneers of Hell is a story describing the final days of our earth and the beginning of time in Hell. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
