DIGITAL LEARNING STRATEGIES: HOW DO I ASSIGN AND ASSESS 21ST CENTURY WORK?

Association for Supervision & Curriculum Development. Paperback. Book Condition: New. Paperback. More than a decade into the 21st century, teachers continue to struggle with designing digital assignments as a viable tool for learning and with assessing the demonstration of that learning through student-created products. Digital tools continue to be used primarily for consumption of available resources rather than in the creation of something new. This publication explores what types of assignments are worth engaging online, how teachers and students can...
