

Literacy Work in the Reign of Human Capital

By Evan Watkins

Fordham University Press. Paperback / softback. Book Condition: new. BRAND NEW, Literacy Work in the Reign of Human Capital, Evan Watkins, In recent years, a number of books in the field of literacy research have addressed the experiences of literacy users or the multiple processes of learning literacy skills in a rapidly changing technological environment. In contrast to these studies, this book addresses the subjects of literacy. In other words, it is about how literacy workers are subjected to the relations between new forms of labor and the concept of human capital as a dominant economic structure in the United States. It is about how literacies become forms of value producing labor in everyday life both within and beyond the workplace itself. As Evan Watkins shows, apprehending the meaning of literacy work requires an understanding of how literacies have changed in relation to not only technology but also to labor, capital, and economics. The emergence of new literacies has produced considerable debate over basic definitions as well as the complexities of gain and loss. At the same time, the visibility of these debates between advocates of old versus new literacies has obscured the development of more fundamental changes. Most significantly,...

Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.
