

Managing the Professional Service Firm (Paperback)

Filesize: 1.4 MB

Reviews

I actually started off looking over this publication. Indeed, it really is play, nevertheless an amazing and interesting literature. Its been printed in an exceedingly basic way and is particularly just right after i finished reading this ebook by which actually altered me, affect the way i believe.

(Toney Bernhard)

MANAGING THE PROFESSIONAL SERVICE FIRM (PAPERBACK)

SIMON SCHUSTER, United States, 1997. Paperback. Book Condition: New. New edition. 239 x 160 mm. Language: English . Brand New Book. This text offers practical ideas on the managerial problems of professional service firms. It shows that professional firms are different from other business enterprises in two ways. First, they are in the business of providing highly customized services and therefore cannot apply many of the management principles developed for the mass production industrial world. Second, professional services are highly personalized and involve the skills of individuals, therefore firms must compete not only for clients, but also for talented professionals. This text explores issues ranging from marketing and business development to multinational strategies, from human resource policies to profit improvement strategies, from strategic planning to the effective behaviour of practice leaders.
