THE APOCALYPSE UNSEALED 1910

Book Jungle. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 9.1in. x 7.5in. x 0.5in. The purpose of this book is to show that the Apocalypse is a manual of spiritual development and not, as conventionally interpreted, a cryptic history or prophecy. In the following pages the reader will find the complete solution of the Apocalyptic enigma, with ample proof of the correctness of that solution. As the subject dealt with in the work is, however, familiar to only a comparatively few special students of the sacred science, which to the many has ever been a sealed book, the exposition here given is put in the form of an elementary treatise. If it were written for the few, it would have been expanded to great bulk; but as it is intended for the many, the author has kept within the limits of a small volume, avoiding everything mystical, scholastic and controversial, using plain, concise language, and employing technical terms only when they are required by the nature of the subject. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
