I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Bella s stepdad, a semi-pro wrestler, just signed the entire family up for a reality TV show. Bella s first thought: Kill. Me. Now. Living in Truman, Oklahoma wasn t 100 miserable for Bella. Sure, she misses Manhattan, couture clothes, and her dad. But she was making new friends at Truman High and almost enjoying her work at the school newspaper. Then the whole stepdad-wrestler-reality-show issue hit and her life is now being splashed across weekly tabloids and broadcast news.As if having a camera crew following her around isn t bad enough, Bella soon discovers a conspiracy against the Truman High prom queen candidates. And the closer she gets to the answer, the more danger she s in. As her relationship with Luke teeters between friendship and romance, Bella s ex-boyfriend Hunter reappears and vies for Bella s attention. Denying allegations of a love triangle, working to solve the prom queen mystery, and trying to keep her cool on national television finally motivate Bella to start talking--and listening--to God more. But what comes next has Bella once again screaming: I M. SO. SURE.
