BEE ME

Andrews McMeel Publishing, United States, 2014. Board book. Book Condition: New. Heather Brown (illustrator). 150 x 150 mm. Language: English . Brand New Book. The New York Times bestselling Bee Me, in a new board book format. Just like the New York Times bestselling Bee Me, the mini abridged Bee Me A board book features the same great story and pictures that have won the hearts of legions of kids and parents all across the country. The heart of the book is a sweet tale teaching kids the important role bees play in nature. This new smaller format is ideal for younger children and smaller hands. A beautiful, heart-warming book that helps children (and adults) understand how essential bees are to the planet. Bee Me makes a great read for any budding environmentalist. Highly recommended. -- Eco Mamas Guide to Living Green.
