Anchor, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Wide-ranging. . . . Superb. . . . Capacious and thought-provoking. . . . In Gods Like Us , Boston Globe film critic Burr presents a fresh take on the medium's history, eschewing the standard roll call of moguls and filmmakers, preferring to understand the triumph of Hollywood as a carefully orchestrated harnessing of the ferocious power of celebrity." - The Boston Globe "David Thomson, watch out! In the pithy new book Gods Like Us: On Movie Stardom and Modern Fame , Boston Globe film critic Ty Burr delivers thoughtfully epigrammatic descriptions of movie stars, actors, and celebrities. He wittily traces the progression of these characters from the early days of film to their current incarnations on the internet, from the young Frank Sinatra, who 'looked like a freshly hatched ostrich but his singing voice promised a slowly crested big-band orgasm,' to Harrison Ford, who is able to 'make grumpiness seem sexy.' . . . Gods Like Us soars when it meditates on individual stars and their personae. . . . The whole book is worth guzzling for the golden nuggets on movie stars and celebrity sprinkled throughout." - IndieWire "Any Hollywood history can describe a star's X factor. But not many film historians can see the whole equation as Ty Burr does in Gods Like Us, his lively and provocative chronicle of the genesis of movie stars and the metamorphosis of movie stardom. He offers original thinking about the audience factor." - The New York Times "A brilliant and even profound history of stardom for an era that doesn't begin to know how very badly it both wants and needs it." - The Buffalo News " Gods Like Us is a standout, as...
