

Ear Training and Violin Playing: A Suzuki Method Symposium (Paperback)

By Bruno Steinschaden, Helmut Zehetmair

Suzuki Method International, United States, 1999. Paperback. Book Condition: New. English.. 208 x 132 mm. Language: English . Brand New Book. Ear Training and Violin Playing was written by two Austrian teachers who pioneered the Suzuki approach in the German-speaking world. This valuable little book was written as a supplementary aid to the Suzuki teacher, concentrating on posture, bow grip, instrument selection, the bow itself and a helpful analysis of Book One of the Suzuki Violin School. Many insights are offered throughout the book, all gained from intense study, ten years of experience and successful teaching. Some slight departures from Suzuki's own teaching are discussed: the incorporation of native songs, elementary music theory and ear training, and introduction of ensemble playing. Early childhood musical education, it is emphasized, must always be accomplished with love and understanding, and only when parents, students, and teachers form a unified whole.

Reviews

Completely one of the better pdf I have got possibly go through. I really could comprehend every little thing using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Torey Kreiger**

Comprehensive guide for publication lovers. it absolutely was writtern really flawlessly and valuable. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for concerning if you ask me).
