Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.SPORTS CONCUSSION AND NECK TRAUMA: Preventing Injury for Future Generations is a must read for everyone involved in athletics! This book educates coaches, athletes, parents, and physicians on the danger of continuing to play with a probable head/neck injury and how to do their part to prevent further injury. This book includes personal interviews of a mother of a football player whom died of Second Impact Syndrome, a Dad whose son was riding his bicycle without a helmet and suffered several skull fractures and head trauma. It also includes an interview of The United States Olympic committee Director of sports Medicine, an interview with one of the leaders in the market of football reconditioning and equipment fitting and an interview with a former NFL football player whom sustained a cervical injury. This book provides education on specific clinical history to look for on the pre sports physical exam, provides objective tools to help healthcare providers make better return to play decisions and includes step by step guidelines of how to care for an athlete with a suspected head/neck...
