Strategic Book Publishing Rights Agency, LLC, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This intriguing book poses many what if questions about former President Richard Nixon. Journey to an alternate history of the presidency that takes place after Nixon wins a close victory in the 1960 presidential election against John F. Kennedy. Nixon is exposed as the real Nixon, the man behind the image. Follow his team as it seeks victory during the primaries, campaign, and election. In this gripping new reality, learn how Nixon might have dealt with the cold war, Cuba, foreign relations, civil rights, organized crime, involvement in Vietnam, and other issues of the day. Join in the hunt to discover, as the title suggests, if Richard M. Nixon was more a lion or a fox? In his book *A Lion . A Fox: The Alternate Presidency of Richard M. Nixon*, Grant Teller introduces the main influences and people in Nixon s life. Meet Murray Chotiner, Nixon s right hand man and chief campaign manager; Bebe Rebozo, his best friend, who had influence with a nefarious group of campaign contributors; and the fictional Anthony Masters, an energetic and idealistic young man who idolized Nixon and worked as an important staffer. Then there were the women in his life: Pat Nixon, his trusted and devoted wife; and Rose Mary Woods, the gatekeeper secretary, who saw herself as the guardian to the president. What impact would this alternate Richard Nixon have on history if he had won the presidency in 1960 instead of 1968, and how would he have changed the world? Grant Teller loves political intrigue and particularly the world of what if. He is from Rochester, New York. Publisher s website: /GrantTeller Author...
