Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.In recent years, the United States has been unable to maintain an international consensus for strict enforcement of all applicable U.N. Security Council resolutions on Iraq, but it has largely succeeded in preventing Iraq from reemerging as an immediate strategic threat to the region. There is U.S. concern about the long-term threat posed by Iraq, and, in the wake of the September 11 attacks, the Bush Administration has said it will prevent Iraq from re-emerging as a significant threat to U.S. security. The exact form of that Administration stance has not yet been announced, whether it be through international sanctions and diplomacy, military action, or covert action. During 1991-1998, a U.N. Special Commission on Iraq (UNSCOM) made considerable progress in dismantling and monitoring Iraq's mass destruction weapons (WMD) programs but was unable to finish verifying Iraq's claim that it has destroyed all its weapons of mass destruction or related equipment. Iraq's refusal of full cooperation with UNSCOM eventually prompted U.S.-British military action in December 1998. All inspectors withdrew and Iraq has been unmonitored since, leaving uncertainty as to whether Iraq has rebuilt its WMD programs. On November 10, 1994, as required, Iraq accepted the U.N.-designated land border with Kuwait (confirmed).
