WORK OF THE MYSTIC SEVEN: CONCEALING AND REVEALING GEMS FROM THE BORDERLAND OF KNOWLEDGE, WITH A FEW MISCELLANEOUS POEMS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Work of the Mystic Seven: Concealing and Revealing Gems From the Borderland of Knowledge, With a Few Miscellaneous Poems Work of the Mystic Seven had its origin in a rather unique manner as might be inferred from its perusal. It may not be amiss, therefore, to give a history of the growth and development of the ideas which finally led to its completion. In the first place the life and training of the author had much to do with it as it had also much to do with leading him to a possession of those facts which all ages have counted a priceless heritage never to be revealed. It may be here stated that much can never be revealed and never should be, except to those minds that have proved themselves worthy by the strictest tests, as for example, the interpretations of esoteric writings. The mind of the author was never defrauded of its birthright to investigate the truth for itself and was never humbled to submission to the follies of any conventional system. Descended from a long line of New England ancestry, the spirit of investigation with an untrammelled mind was well developed. His earliest conception of deity was that of a goodman that lived in the sky just over a great elm tree, who had made everything and everybody. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
