## PATHFINDER (PAPERBACK)

Crecy Publishing, United Kingdom, 1999. Paperback. Book Condition: New. New edition. 192 x 128 mm. Language: English . Brand New Book. Air Vice-Marshal Don Bennett was one of the most outstanding figures of the 2nd World War and the creator and leader of the legendary Pathfinder Force of 8 Group. His record as a brilliant pilot and navigator made him the obvious choice as leader of the Pathfinders v the elite force designed to carry out pioneering target-marking and precision-bombing of Nazi-occupied Europe. From the date of its inception almost every RAF Main Force attack was led by the Pathfinders. Night after night they spearheaded Bomber Command s assault on major German targets using increasingly sophisticated devices including radar, to increase the efficiency of the bombing operations. Bennett played a prominent part in deploying a Mosquito intruder force to harass Germany by night and also in developing FIDO, the invaluable fog dispersal system. By the end of the war he was commanding a total of 19 squadrons of the Pathfinder Force.
