

Circulation Policy in Academic, Public, and School Libraries (Hardback)

By Sheila S. Intner

ABC-CLIO, United States, 1987. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.Intner conducted a survey of academic, public, and school libraries in order to study circulation policies and practices prevalent in the U.S. From the data she gathered, it is evident that much in the circulation process is not patron oriented and that there are still institutions that make access to information difficult. She intimates that if library patrons were aware of the power they have, they could effect drastic changes in circulation practices. The book is of interest to all who use libraries, but it is particularly pertinent reading for administrators. Booklist This informative study is based on the responses of a sampling of academic, public, and school libraries to a survey conducted in 1983. The selection was made with a deliberate effort to include libraries of varying size, focus, and geographic area around the country, and three vitally important policy issues were emphasized: Who may borrow materials from the library? What may they borrow? How are materials borrowed and what process is followed when they are returned? The answers provided by the sample group to these and...
