Excerpt: . . . You must first look at the necessities of the cat-e and after that its usefulness. So that dock was built and I have been in favor of docks ever since, and whenever there is a place that ought to be built up, as docks in the city of Xew York, I am in favor of then and although I have not the eloquence of a Van Wyck, I have fonie knowledge of the subject because I have been practicing it and carrying the stuff on barges nearly all my life, and I know that this is right, I know that that canal should be built for the interest of you and for the interest of the people of this great city and of this whole State. (Applause. ) Now, gentlemen, there are other people who wish to be heard and I am sure that...
