By the Author of Sky Hunter and Only Human Air Command Lieutenant Nova Whiteside is targeted for assassination. Unfortunately, she realizes that they are now on opposite sides of an escalating war between the Commonwealth Union of Planets and an increasingly dangerous rebel organization. In trying to find who is threatening her life, they discover a plot to destroy a distant planet - a world inhabited by creatures that are the key to Nova's survival - and a conspiracy that threatens the stability of the Union Commonwealth. Can Nova go beyond her strict military training to cooperate with people whom she is sworn to destroy? The characterizations are solid, the writing is crisp and fluid, and all of the questions posed within the story are answered. Reher is a great storyteller, and you know they know this from the confidence exhibited in the book. What a fascinating imagination Chris Reher has! . . . descriptions of all the other worldly beings was a fun mind exercise along with rather exciting adventures. Read it! It is worth the time!
